

# ALEXANDRU RAZVAN PANA

## JUNIOR WEB DEVELOPER

### ABOUT ME

I would describe myself as a person who thrives at the chance of learning new skills through hard work. I am a very organized person, careful to details and a team-player, being a good fit to any team because of my excellent communication and collaboration skills, confident in my abilities to come up with new ideas. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of people. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion in life is using my technical know-how to benefit other people and organisations.
